

## **Join Me**

### **HIM**

Baby join me in death  
Baby join me in death  
Baby join me in death

#### **Strophe 1**

We are so young  
Our lives have just begun  
But already we're considering  
Escape from this world

And we've waited for so long  
For this moment to come  
Was so anxious to be together  
Together in death

#### **Chorus 1**

Won't you die tonight for love  
Baby join me in death  
Won't you die

Baby join me in death  
Won't you die tonight for love  
Baby join me in death

#### **Strophe 2**

This world is a cruel place  
And we're here only to lose  
So before live tears us apart let  
Death bless me with you

#### **Chorus 2**

Won't you die tonight for love  
Baby join me in death  
Won't you die

Baby join me in death  
Won't you die tonight for love  
Baby join me in death

#### **Bridge**

This live ain't worth living  
This live ain't worth living  
This live ain't worth living  
This live ain't worth living

#### **Chorus 3**

Won't you die tonight for love  
Baby join me in death  
Won't you die

Baby join me in death  
Won't you die tonight for love  
Baby join me in death  
Baby join me in death
